No Pressure, Just Pleasure

Weighing only 204g, it is designed for effortless comfort. The U-shaped headband and thickened padding evenly distribute pressure, while ultra-soft protein leather ear cushions gently hug your ears. Put it on and experience a world that feels lighter.

Easily Foldable
Tunes Unrolled

Fold or lay flat in two steps, making it easy to stow in your luggage. Whether you're in a bustling city or on a short commute, its portable design lets you enjoy music anytime, anywhere, adding delight to your journey.
