

RGB LED Outdoor solar table lamp

with pull switch

The RGB LED table lamp from SCHWAIGER® provides atmospheric ambient lighting suitable for any occasion. Thanks to the built-in rechargeable battery, the stylish lamp is perfect for wireless use at the table, both indoors and outdoors. The light is controlled

classically via a pull switch attached to the lampshade, with which the light colour and brightness can be adjusted effortlessly.

- built-in lithium ion battery perfect for wireless tabletop use
- robust and resistant material for outdoor use
- quick and comfortable charging via USB Type C
- Scope of delivery: RGB LED table lamp, USB Type C charging cable (0.8 m), instruction manual

TECHNICAL DATA

Connections	1x USB Type C socket
Point of use	outdoor use
Power supply	5 VDC , 1 A
Capacity of battery	1800 mAh
Type of lamps	4x 0,18 W RGB LED 9x 0,20 W LED
LEDs	4x RGB LED 9x LED
Battery type	lithium ion (rechargeable)
Lumen	200 Lm
Dimmable	yes
Lifetime (LED)	50000 h
Kelvin	3,000 K

Battery service life	8 - 15 h (RGB light) 4 h (warm white light)
Charging times	via USB: 4 h via solar panel 8 h
Solar panel	1 W (Poly crystal)
Protection class	IP44
Colour	white/black
Weight (set)	605 g
Dimensions (width)	153 mm
Dimensions (height)	255 mm
Dimensions (depth)	153 mm
Model number	OTL492
Packaging	carton
