**Cordless Clear Water Pump**

**GE-SP 18 LL Li - Solo**

**Item No.: 4181560**

Ident No.: 21011

Bar Code: 4006825661415

Being a member of the PXC family, the Einhell GE-SP 18 LL Li Solo clear water pump can be used with all batteries from the system series. The battery box has an integrated cable holder, and an impressive immersion depth is made possible by the long cable connection. The three-setting switch includes a continuous operation function. Thanks to its high-performance motor this pump achieves a high delivery rate. Suction in shallow water down to 1 mm is possible, leaving a surface that can be wiped dry. The high-quality pump housing is made of impact-resistant plastic. The hose connection is easily accessible on the top of the pump. One 18V battery is needed for operation. It comes without a battery or charger; these are available separately.
