

# Document shredders DAHLE PaperSAFE® 120

- Compact document shredder for small offices and home offices
- Oil- and maintenance-free operation
- Extra-small particles allow for less frequent emptying
- Integrated light barrier for automatic start and stop
- Convenient feeding and reversing function for manual control
- Automatic safety shut-off
- Inspection window as optical waste level indicator
- Overload indicator
- Overheating protection with optical indicator
- Removable top part
- Angled cold device cable

\* Maximum number of DIN A4 sheets that can be shredded in a single load under the following conditions: new cutting rollers (oiled if necessary), cold motor, power supply with rated voltage and rated frequency (230V/50Hz; 120V/60Hz). Sheet capacity may be lower and operating noise higher under different conditions. Sheet capacity may also vary due to sheet characteristics and paper feed.
