Description

The equip@ 650351 Pop-Out TV Video Wall Mount Bracket is a video wall solution quick to install, and easy to configure. Made especially for video wall applications. This is a professional mount focusing on multiple screen installations, easy and fast installation and simplified maintenance. The Push-In Pop-out feature gives easy-access to any display for quick serviceability. This is one of the major functions needed when building a video wall mounting solution or when integrating a single screen into the wall. Saving installation time and cost.
