 WEEE: Do not dispose of the product with household waste. Check your local waste disposal options and take to a recycling point. Improper storage/disposal may harm the environment and/or human health. Zeitfracht Medien declares that the product conforms to the requirements listed under the 'conformity notice'.

INTENDED USE

This product is intended to be used as a USB hub for connecting to a computer and is for indoor home/office use only. It contains no user-serviceable parts. Do not disassemble it and stop using it immediately if damaged. Zeitfracht Medien GmbH accepts no liability whatsoever for any damage to this product or injuries caused due to careless or improper use or for purposes for which it is not intended.

Please keep this information for later reference.

SAFETY INSTRUCTIONS

IMPORTANT SAFETY INSTRUCTIONS

Please note that the failure to observe these instructions can cause product damage, explosion, fire and/or electric shocks!

• Only use the devices as indicated in the user guide. Do not open or repair them.

• Do not expose the devices to liquids, heat or cold.

• Do not use the devices in a damp environment. Clean the device with a dry cloth.

• Keep the devices and all loose parts away from children, pets and unauthorized persons.

• Only use the devices with the appropriate provided accessories/cables.

• Disconnect cables from the devices if they will not be used for a long time. When disconnecting the cables, don't pull on the cord but on the plug.

• Don't use the cables in any way other than mentioned in the user guide; don't bend, cut, extend, knot or step on them.

• Do not insert any foreign objects into the openings of the device.

• If the devices are damaged in any way or get too hot, stop using them immediately.

• Take caution when using devices that emit radio signals if you have a pacemaker or are dependent on other sensitive electronic life aids.

Unter Einwirkung von starken statischen, elektrischen oder hochfrequenten Feldern (Funkanlagen, Mobiltelefonen, Mikrowellen, elektrostatische Entladungen) kann es zu Funktionsbeeinträchtigungen des Gerätes (der Geräte) kommen. Versuchen Sie in diesem Fall, die Distanz zu den störenden Geräten zu vergrößern.

FCC STATEMENT

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: Modifications to this product will void the user's authority to operate this equipment.

EXCELLO NX
SL-800911-BK
