

**Ideal for getting started with gaming:
The new TYRON and LEGATOS headsets from Speedlink**

Comfort and functionality when gaming

Heeslingen/Deutschland, 2024-01-25 –Speedlink introduces two new gaming headsets, the TYRON RGB and the LEGATOS, which are compatible with both PC and gaming consoles.

The **TYRON RGB Gaming Headset**, a stereo headset with versatile connection options for PC, PS5, PS4, Xbox and Switch, impresses with its RGB lighting. It features colorful lighting effects, easy-to-use built-in volume controls and a convenient microphone mute function.

The headset guarantees a customizable gaming experience thanks to its sensitive microphone with flexible arm and adjustable size. The high level of comfort is achieved by soft padding on the ear cups and the headband. The 50mm driver units ensure impressive sound. The scope of delivery includes a 1.8 meter long cable, a Y adapter with two 3.5 mm jack plugs and a USB-A plug for lighting.

The **Legatos Gaming Stereo Headset**,

compatible with PC, PS5, PS4, Xbox and Switch, offers a comfortable gaming experience thanks to its adjustable size and light weight of only 220 grams. It is equipped with an integrated cable remote control and a sensitive, foldable microphone, which offers both comfort and functionality. The soft, airy padding

on the ear cups and the padded headband promise additional comfort during long gaming sessions. The Legatos comes with a 1.4 meter long cable and a Y adapter with two 3.5 mm jack plugs.

Availability:

TYRON RGB Stereo Gaming Headset will be available from March for €19.99 (RRP).
LEGATOS Stereo Gaming Headset is now available for €14.99 (RRP).
