

Delock USB 2.0 Switch 2 PC to 4 devices

Description

This USB switch by Delock allows to share four USB 2.0 peripheral devices with two different computer systems. This avoids the cost of purchasing multiple peripherals or the hassle of swapping cables from one system to another.

Item no. 11505

EAN: 4043619115051

Country of origin: China

Package: Retail Box
