

# Delock Adapter cable for Laptop Charging Cable USB Type-C™ female to Dell 7.4 x 5.0 mm male 15 cm

## Description

With this adapter cable by Delock a USB Type-C™ PD cable can be used to charge a laptop from a power source.

### USB Type-C™ port

The charging cable can be connected to a corresponding laptop. A USB Type-C™ PD power supply can then be connected to the USB Type-C™ port. As the PD power supply units are significantly smaller and lighter than the original laptop power supply units, it is a practical addition for working on the move.

### Note

For the Power Delivery mode, a USB cable with a corresponding fast charging function of at least 60 W and a PD power supply (20 V / 5 A, 20 V / 3 A) are mandatory.

Corresponding cables and power supply units from Delock are optionally available.

**Item no. 60037**

EAN: 4043619600373

Country of origin: China

Package: Zip poly bag

## Technical details

- Connectors:  
1 x USB Type-C™ female  
1 x Dell 7.4 x 5.0 mm male
- Colour: black
