

Delock Cable Gland M20 with ventilation and strain relief IP68 dust and waterproof black 2 pieces

Description

This cable gland by Delock allows a watertight seal to the housing for the lead-through of cables and electrical tubes.

With Ventilation

The integrated holes ensure permanent pressure and air equalisation and prevents the formation of condensation.

Additional protection through strain relief

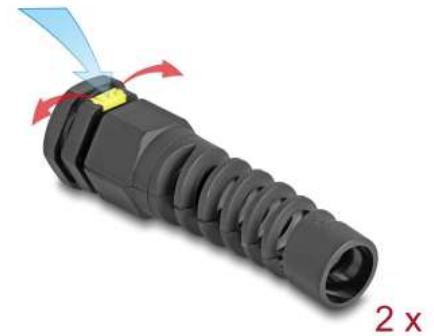

Due to the bend protection spiral, the flexible cables are secured and protected from excessive bending, e.g. in the case of moving machine parts.

IP68 dust and waterproof

The cable gland also offers increased protection against dirt and moisture.

Multifunctional application

The robust design is ideal for use in automation, the robotics industry and machinery.

Item no. 60626

EAN: 4043619606269

Country of origin: China

Package: Poly bag

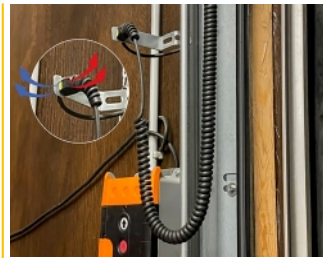

Technical details

- Thread size: M20
- Thread length: 10 mm
- Spanner width: 27 mm
- With Ventilation and strain relief
- Protection class: IP68
- Cable diameter:
min.: 6 mm
max.: 12 mm
- Operating temperature: -40 °C ~ 100 °C
- Material: plastic
- Colour: black RAL9005

Package content

- Cable gland
