

Pneumatic Connector 12 mm straight

Description

This pneumatic connector by Delock is ideal for quick and secure connection of hoses in compressed air and pneumatic systems.

Ø 12 mm

Item no. 60742

EAN: 4043619607426

Country of origin: China

Package: Zip poly bag

Special features

- Suitable for air and pneumatic lines
- High tightness and durable connection
- Quick installation without tools

Technical details

- Design: straight coupling
- Hose connection: 12 mm (both sides)
- Operating temperature: -10 °C ~ 60 °C
- Operating pressure: up to ca. 10 bar (depending on the system)
- Material: robust plastic with metal clamping ring
- Colour: black
- Dimensions (LxD): ca. 48.5 x 21.0 mm

Package content

- Pneumatic connector

General

Style:	straight both sides identical
