

Audio Splitter stereo jack male 3.5 mm to 2 x stereo jack female 3.5 mm 4 pin angled

Description

This audio splitter by Delock can be connected to a free stereo jack female port of your MP3 player, mobile phone, tablet, laptop etc. in order to get two stereo jack female interfaces. Thus two persons can easily listen to music or, for example, participate in a video call via **two pairs of headphones** at the same time. The 4-pin connection on both audio sockets also supports the **microphone function**, provided the connected headphones have a microphone.

Item no. 66242

EAN: 4043619662425

Country of origin: China

Package: Zip poly bag

Easy handling

Due to the additional gold ring at the end of the connector, this audio splitter can easily be connected to devices, which are protected by a cover. Furthermore the 3.5 mm stereo jack male connector is angled in case the existing port is difficult to access.
