

19" Circuit-breaker with cover, cable strain relief and depth-adjustable DIN rail 3U metal black

Description

This 19" circuit-breaker strip with cover and integrated DIN rail by Delock can be mounted into a 19" cabinet and can be used as a mounting system, e.g. for power supplies, screw terminals and interface modules.

Depth-adjustable DIN rail

The DIN rail can be flexibly moved forwards and backwards to ensure optimum positioning of devices and easy access.

With cover and opening

The cover protects the connected devices and the opening allows easy cable access.

Neat and tidy cable routing

The cables can be fixed to the back of the circuit-breaker strip with cable ties to enable clear and organised cable routing.

Item no. 67282

EAN: 4043619672820

Country of origin: China

Package: Box
