

Easy 45 F-Module Cover for Keystone Module 1 Port with dust cap 45 x 45 mm white

Description

This module cover by Delock is suitable for the installation of a Keystone module and can be attached to the Delock Easy 45 module system. The simple snap-in mechanism ensures that the module is firmly in place and can be easily removed if necessary.

Easy 45 connects

Easy 45 is a variable, modular system that allows components such as sockets, HDMI or USB connections to be added according to your needs. The Easy 45 modules are standardised and can be mounted in various module holder or cable ducts. Easy 45 builds the interface between electrical, network and system installation and many peripheral devices such as TV, monitors, printers, laptops and much more.
