

Delock RJ45 Cat.6A Coupler with sealing cap IP67 dust and waterproof

Description

This RJ45 coupler by Delock can be used in a switch cabinet or distribution box to connect or extend two RJ45 plugs together. In combination with the Delock feed-through coupler (86995), it provides a secure and waterproof connection.

IP67 dust and waterproof

The sealing cap protects the RJ45 jack from moisture, damage and dirt in outdoor areas.
