

RJ45 plug with clamp lock 2 pin +/- tool-free - composite power connector

Description

This RJ45 plug by Delock is specially designed for 2-pole wires. Suitable for solid or flexible conductors with a cross-section of 1 - 4 mm².

With clamp lock

The clamping system enables a quick and tool-free connection. To connect, both clamps (+/-) are pulled upwards, the stripped wire ends are inserted into the corresponding openings and the clamps are then pushed down again to create a secure connection. A black plastic ring serves as a quick-release mechanism for connection to an RJ45 socket.

Item no. 90710

EAN: 4043619907106

Country of origin: China

Package: Zip poly bag

Technical details

- Connector:
 - 1 x RJ45 plug
- Number of poles: 2 (plus / minus)
- Toolfree clamp closure (push-in)
- Suitable for cable cross-section: 1 - 4 mm²
- Pin assignment:
 - Minus (- / GND) pins 3, 6, 7, 8
 - Plus (+ / VCC) pins 1, 2, 4, 5
- Rated current: 1.5 A
- Rated voltage: 125 V
- Material: zinc diecast
- Dimensions (LxWxH): ca. 63.4 x 15.7 x 11.6 mm

Package content

- RJ45 plug
- 2 x cable tie
