

Easy 45 Modul USB 5 Gbps Type-A female to USB 5 Gbps Type-B female white

Description

This Easy 45 module by Delock is designed to provide an USB port and can be attached to the Delock Easy 45 module system. The simple snap-in mechanism ensures that the module is firmly in place and can be easily removed if necessary.

Easy 45 connects

Easy 45 is a variable, modular system that allows components such as sockets, HDMI or USB connections to be added according to your needs. The Easy 45 modules are standardised and can be mounted in various module holder or cable ducts. Easy 45 builds the interface between electrical, network and system installation and many peripheral devices such as TV, monitors, printers, laptops and much more.
