Multi-Device Bluetooth Connection

Bluetooth 5.0 + EDR technology allows faster pairing without dropping the signal. In addition to low power consumption, it provides stable and seamless data streaming with a max range 10m. Easily connect multiple devices at the same time.

One Adapter, Dual Connectors

Simplify thing with a single lightweight adapter; USB-C and USB-A connectors are interchangeable. Allows you to use a single adapter in almost any computer; effortlessly give your computer Bluetooth functionality.

Mini Size

The extremely compact design makes it easy to carry and allows you to leave it in your laptop or PC.

Compatible with Windows

Plug it into any computer running Windows Operating System (XP or later).
