Ergonomic Viewing Angles

Quickly and easily adjust to one of seven desired height position with the support bracket. Great for elevating your work to a more comfortable angle.

Keep Cool

Great heat dissipation and natural airflow prevent your laptop from overheating.

Sturdy & Stable Protection

The aluminum alloy double M design can hold up to 10 kg safety. The non-slip rubber pads protect your device from scratching and sliding off.

Take it Anywhere

The foldable and portable design easily fits into your laptop bag or backpack. The ideal travel accessory comes with a carry sleeve.
