Go Wireless with Bluetooth 5.0

Connect your device wirelessly with Bluetooth 5.0 for faster pairing without dropping the signal; provides a stable and seamless listening experience.

Non-Stop Entertainment

Behind-the-neck design allows for easy use of in-line controls while resting comfortably around your neck.

Simple One-Touch Calls and Music Playback

The in-line controls on the headset cable allow you to adjust the volume, answer and end calls, or skip tracks on your music player or smartphone.
