- Find your tool on the construction site and anywhere in the world with the "Find My" app from Apple and the ingenious Metabo Tracker
- Global tracking through the extensive and secure Apple Find My network
- Tracking at close range: loud acoustic signal (120 dB) helps you find the target object quickly
- Don't forget me! Push notifications can be activated if the user exceeds a certain distance from the Tracker
- Like an Apple AirTag®, but for the trades: robust housing with high level of dust and water protection (IP 67)
- Full 3 year battery runtime with notification when replacement is required
- Multiple options for affixing the Tracker to an object
- Tracker is almost invisible when clipped into any metaBOX
- Ideal overview with the Metabo App: registered Metabo Trackers and power tools can be linked
- Compatible with Apple Carplay
- Track and Find - simple and ingenious, and not just for tools
