

Classic Hose 13 mm (1/2")

Commercial Reference: 18009-20
Article number: 967 24 71-01
EAN: 4078500002233

The pressure-resistant GARDENA Classic Hose, which keeps its shape through the use of high-quality textile, is free of harmful plasticizers (phthalates) and heavy metals, and of course UV-resistant. If required, it can be systematically supplemented with the Original GARDENA System Fittings and connecting devices. These are the perfect prerequisites for easy and flexible use in your garden. Burst pressure: 22 bar. Warranty: 12 years.
