APPLICATIONS

- ideal for quick and decent labeling of your objects in the office or at home.
- ideal for printing with almost every inkjet- and laser printer and copiers*.

* Operating instructions:

- Before printing, please follow any special directions or instructions from your printer manufacturer regarding the correct placement of the label sheets. Depending on your printer, the sheets may be fed into the automatic feeder, the manual sheet feeder or placed in the paper tray.

- Use each label sheet only once to avoid any problems caused by previously removed labels.

- Follow the printer manufacturer's recommendations to correctly adjust the settings for this paper type.

- Test the various printer settings available to get the best possible print result.
