MediaRange Mini DisplayPort™ to HDMI™ Converter, 10 Gbps, 20cm, Black

Seamless Connectivity for Every Setup

MediaRange offers a comprehensive selection of high-quality cables and converters, designed to meet the needs of both professional and everyday users. Whether you're looking for a reliable adapter, a converter or durable connectivity accessories, our products ensure seamless integration and performance.

From office workstations to home entertainment systems, our cables and converters provide clear, stable signal conversion, support resolutions up to 3.840 x 2.160 @ 60 Hz, and they are ready for immediate use thanks to Plug & Play. Experience smooth video and Audio output and dependable performance for all your display needs.

Reliable Mini DisplayPort™ to HDMI™ Connection for Crystal-Clear Audio-Visual Performance

This compact 20cm converter bridges the gap between Mini DisplayPort™ devices and HDMI™ displays with superior clarity. The gold-plated contacts ensure optimal signal integrity and long-lasting durability.

With support for Ultra HD resolutions up to 3840 x 2160 @ 60 Hz and a data transfer rate of up to 10 Gbps, this converter delivers stunning visuals and synchronized audio. Thanks to Plug & Play compatibility, it works seamlessly with Windows, macOS, and Linux – no drivers required.

Whether you're presenting in a professional environment, watching high-definition content at home, or connecting displays in digital signage, this converter delivers high performance you can count on.
