NXZT GLOBAL WARRANTY POLICY

This NXZT Global Warranty Policy governs the sale of products by NXZT to you.

I. WARRANTY LENGTH

New NXZT Product	Warranty Length for Parts
Computer Cases	2 Years
Temperutire Meters	2 Years
Fans	2 Years
Lighting	2 Years
Accessories	2 Years
Kraken M Coolers	3 Years
Motherboards	4 Years
Gold Power Supply	10 Years

Refurbished NXZT Product	Warranty Length for Parts
All NXZT Certified Refurbished Products	1 Years

Any replacement product will be covered under warranty for the remainder of the warranty period or thirty days, whichever is longer. Proof of purchase is required for warranty service.

II. WHO IS PROTECTED

The warranty covers only NXZT products purchased by the original consumer.

III. WHAT IS AND IS NOT COVERED

Please note that our warranty is not an unconditional guarantee. If the product, in NXZT's reasonable opinion, malfunctions within the warranty period, NXZT will provide you at its sole discretion with a repaired or replacement product, either new or refurbished, with a similar function that is equal or greater in value depending on supply. Our warranty does not cover the following:

- any product or serial number/warranty sticker modification applied without permission from NXZT;
- any damage that is not a manufacturing defect;
- damage, deterioration or malfunction resulting from: accident, abuse, misuse, neglect, fire, water, lightning, or other acts of nature, unauthorized product modification or failure to follow instructions included with the product;
- improper installation, unauthorized alterations or modifications, or repair or attempted repair by anyone not authorized by NXZT;
- shipping or transport damage (claims must be made with the carrier);
- normal wear and tear.

NXZT does not warrant that this product will meet your requirements. It is your responsibility to determine the suitability of this product for your purposes. For NXZT Store orders, we cover two way return shipping for all exchanges and returns. For all other authorized dealers, NXZT Support does not cover return shipping and only covers one way shipping from NXZT back to the end user for exchanges. Two way expedited shipping is provided for all PSUs covered under the Less Than Three program, indiscriminate of purchase location, provided the location is an approved NXZT reseller.

IX. WARRANTY SERVICE FROM RESELLERS

In the event that a warranty service is sought, you must provide proof of purchase (store receipt or invoice) in order to receive the service and if deemed necessary, repair or replacement product.

In North America:

Within the first 60 days after purchase, please return your product (or for power supplies installed within our enclosures, just the failed power supply) to your dealer or reseller for a replacement. If the product is still within warranty and you can no longer return it to your dealer, please contact NXZT Customer Support (see above) for assistance and instructions. NXZT will not accept returns without prior approval and an RMA number.

In Europe:

Within the first year after purchase, please return your product (or for power supplies installed within our enclosures, just the failed power supply) to your dealer or reseller for a replacement. If the product is still within warranty and you can no longer return it to your dealer, please contact NXZT Customer Support (see above) for assistance and instructions. NXZT will not accept returns without prior approval.

In Australia:

Within the first two years after purchase, please return your product (or for power supplies installed within our enclosures, just the failed power supply) to your dealer or reseller for a replacement. If the product is still within warranty and you can no longer return it to your dealer, please contact NXZT Customer Support (see above) for assistance and instructions. NXZT will not accept returns without prior approval.

The cost of shipping will be borne at the first instance by you; however, if the purchased item is defective, NXZT will reimburse reasonable postage or transportation of costs.

Outside North America, Europe, and Australasia:

If your product needs to be returned within the warranty period, please contact the retailer or distributor from whom you purchased the product.

X. NXZT.COM STORE RETURNS/EXCHANGE POLICY

Eligible products under this NXZT Warranty qualify for a full refund or exchange only with an authorized RMA number and if the item is returned to the NXZT.com store inventory within 30 days of purchase. Returns are not allowed beyond 30 days of the purchase date. The NXZT.com Store reserves the right to deny any return or refund. Refunds will be credited to the original method of payment. To initiate a return, simply submit a request via NXZT support site.

In the United Kingdom:

- For NXZT products sold to customers in the UK, during the expected lifespan of your product your legal rights entitle you to the following:
 - Up to 30 days: if your goods are faulty, then you can get an immediate refund.
 - Up to six months: if your goods can't be repaired or replaced, then you're entitled to a full refund, in most cases.
 - Up to six years: if your goods do not last a reasonable length of time you may be entitled to some money back.
- If the person seeking to rely on the guarantee is not the original consumer, the NXZT Warranty will cover the product in relation to that person provided that they are able to provide proof of the transfer of the benefit of the guarantee from the original consumer.
- The implied warranties under the Consumer Rights Act 2015 says that your goods must be as described, fit for all purposes for which such goods are usually supplied, and of satisfactory quality.

In EU:

If you are a consumer and have your habitual residence in the EU you additionally enjoy the protection afforded to you by provisions that cannot be derogated from by agreement by virtue of the law where you have your habitual residence.
