

MK370 COMBO for Business

Wireless Keyboard and Silent Mouse

Our most popular combo, upgraded for business.

MK370 Combo for Business is Logitech's top-selling combo upgraded for the enterprise. This wireless productivity duo comes out of the box ready to perform. The combo has a spill-resistant¹ full-sized keyboard, silent-touch mouse, eight pre-programmed shortcut keys, and Logi Bolt for secure and robust wireless connectivity. A pre-paired Logi Bolt USB receiver² connects both keyboard and mouse for a no-fuss set up.

For even more flexibility, download Logi Options+ app, which features predefined control profiles for popular business applications and can be customized for repetitive tasks. Logi Options+ also allows IT help desk staff to remotely deploy and manage the combo with en masse firmware updates.

- Logi Bolt secure wireless technology
- SilentTouch Technology eliminates 90% click noise³
- Spill-resistant keyboard design
- Programmable F-row and shortcut keys⁴
- Sturdy tilt legs with adjustable height
- Contoured, ambidextrous-shaped mouse
- Universal Compatibility - works with with all major operating systems and business apps
- Long-lasting battery life - 36 months on the keyboard and 18 months on the mouse⁵
- Certified and available in over 100 countries
- 2 year limited hardware warranty
