

EXPAND 80 Series

EXPAND 80
EXPAND 80T

Unite your team

Unite colleagues with a premium scalable speakerphone for up to 16 in-room participants.

Thanks to six adaptive, beamforming microphones that isolate the human voice from reverb and ambient noise, everyone in the room can be heard and colleagues out of the office are closer to the conversation. Connect easily the way it suits you and enjoy rich, natural sound.

Finished with a sleek, high quality Scandinavian design, you can align with your team through perfect audio and superior style.
