

PC 8 USB

USB stereo headset with in-line volume/mute control

The PC 8 USB stereo headset with in-line soundcard is designed for internet telephony users and e-learners that desire high quality audio and the convenience of an in-line volume/mute control.

An in-line USB sound card and proprietary transducer technology delivers superlative stereo sound while the unidirectional microphone is designed for passive noise-cancellation for clear communication.

The USB connector ensures plug-and-play compatibility with laptops, PCs and Mac®. This extremely lightweight on-ear headset is designed for comfort and durability. The ear pads are replaceable and spares may be purchased off our website for long-term sustainable use. For internet telephony calls and e-learning this high quality lightweight headset delivers high quality audio at an excellent price point.
