Product name : C920e HD 1080p Webcam

C920e HD 1080p Webcam

Logitech C920e HD 1080p webcam 3 MP 1920 x 1080 pixels USB 3.2 Gen 1 (3.1 Gen 1) Black:

C920e is a work-from-anywhere webcam that delivers HD video meetings that look better than most laptop built-ins at a price point that's ideal for mass deployment.

The 78° diagonal field of view displays individual users in a well-balanced visual frame while two integrated omnidirectional microphones, optimized to capture your audio from up to one meter away, can be enabled via the Logi Tune app.

Built-in HD autofocus ensures you're seen clearly when on camera, while an attachable privacy screen flips up and down to cover or expose the lens.

C920e is designed with a sturdy, adjustable clip that makes it easy to mount on any laptop or external monitor. Plus it has a ¼" thread to enable mounting to a tripod.

C920e works with all popular video calling applications, including Microsoft® Teams, Skype™ for Business, Google Voice and Meet, Zoom® and others to ensure compatibility and seamless integration in the workplace.
