

Qoltec Plug-in power supply 60W | 12V | 5A | 5.5 * 2.1 + power cable

Product code: 50797

The Qoltec Plug-in power supply is a guarantee of safe power supply and use. It is characterized by high efficiency, which reduces energy consumption. We invite you to familiarize yourself with the full range of our power adapters.

A reliable source of energy is a guarantee of satisfaction

Reliability is crucial to you? Choose the best power source for your smartphone. The Qoltec power charger is made with the highest quality materials to provide you with reliable power in any situation. The technologies used in it will ensure low power consumption and high performance. The lightweight yet solid construction ensures comfort and convenience of use, and the ultra-modern design will blend perfectly into your interior.

Designed specially to protect your safety

Constructed from high quality materials, guarantees total safety to use. In addition, it has protection against :

- too low or too high input voltage,
- overload of each supply line,
- short circuit in the power supply circuit,
- overload or bad air circulation.

Confidence confirmed by a warranty

You value the quality of purchased equipment so our projects and solutions are focused on meeting your expectations. Qoltec AC power adapter is covered by 36 months warranty.

Technical data

Producer	Qoltec
Plug type	5.5 * 2.1 mm
Usable power	60 W
Output voltage	220-240 V
Output current	12 V
Input voltage	5 A
Frequency	50 - 60 Hz
Safety	Overvoltage protection Overload protection Short-circuit protection Overheating protection
Cable length	1.16 m
Dimensions	59 x 130 x 31 mm
Colour	Black
Package depth / length	50 mm
Package width	240 mm
Package height	130 mm
Net weight	0,3520 kg
Gross weight	0,4100 kg
Warranty	36 months
EAN code	5901878507972
