

Power adapter for HP | 150W | 19.5V | 7.7A | 4.5*3.0+pin | +power cable

Product code: 51735

Power adapter for laptop HP/Compaq
Power: 150 W
Voltage: 19.5V / 7.7A
Plug: 4.5*3.0+pin
Includes power cable

About the product

The Qoltec's AC adapter is characterized by the function of the set and the performance of high-quality materials. You can enjoy it at home and at work, as a primary or backup power supply. The usable power is 150W, compatible with individual HP laptop models with a 4.5 * 3.0+pin plug. A modern, high-performance AC adapter for fast and charged laptop thanks to precise adjustment of charging parameters. Equipped with advanced security technologies: overvoltage, overload, short-circuit and overheating protection, so it is safe to use. Included with the power supply is a power cable and Velcro that can be adjusted to the length of the Qoltec power supply cable. Technical data

Designed for brands	HP/Compaq
Usable power	150 W
Output voltage	19.5 V
Output current	7.7 A
Input voltage	AC 220V - 240V
Frequency	50-60Hz
Plug type	4,5*3,0+pin
Dimensions	156 x 73 x 29 mm
Cable length	165 cm
Net weight	553 g
Colour	Black
Efficiency	Level VI
Accessories	Velcro to organize cable Power cable
Safety	Overvoltage protection Overload protection Short-circuit protection Overheating protection

Additional information	AC / DC power supply intended for telecommunications equipment and for automatic data processing equipment and devices for these machines.
Warranty	36 months
Configurator	notebookspareparts.pl
Gross weight	0,745 kg
EAN code	5901878517353
