

Product name: ENDORFY Floor Pad FP90S

Product code: EY8G002

If you like to fidget sometimes, you'll love the ENDORFY Floor Pad FP90S. It's a very nice and extremely durable floor ~~shield~~ [mat](#), made from thick PVC material. Thanks to this, even after long hours of spinning in the chair, it looks as fresh as a runner moments before the first ultramarathon. The only difference is that our mat doesn't need good shoes or sportswear to survive.

We've designed the Floor Pad FP90S to stick to the floor – even if it's made of ceramic tiles. As a result, the [waterproof](#) material stays in place even when you travel a lot with your seat. And it also mutes the sounds of the wheels rolling.

Your private security

The Floor Pad FP90S is ~~your~~ private security guard [for your floor](#). We made it from waterproof PVC material that spreads the weight over a larger area, preventing damage and abrasion. This bad boy isn't even afraid of plastic wheels and hard crumbs – we've tested it ourselves.

Stick to the ~~rules~~ [floor](#)

The Floor Pad FP90S won't run away from under your seat, even when you're fidgeting on it like impatient cosplayers queuing to get into the convention. The mat sticks to the ~~rules~~ [floor](#) even on slippery surfaces like ceramic tiles.

This is thanks to the PVC material we've used to make the Floor Pad FP90S. The fabric stabilizes the mat and ensures it doesn't move on the floor. And you can literally clean it in a moment – just dust it off with a vacuum cleaner (or a cloth) to regain the freshness of a spring morning.

„Mute“ for your chair

Sometimes we joke that the Floor Pad FP90S is like a "mute" mode for a chair. And there's some truth to that to it – the mat silences the wheels and ensures that no one hears you fidget in front of the computer. Maybe one day we'll add the option to mute conversations too.

The mat cushions the surface and dampens the sound of ~~virtual skirmishes~~ [a moving seat](#). Just put it on the floor, and that's it – you are good to go. Your neighbor downstairs won't hear a thing.

ENDORFY Floor Pad FP90S – main features:

- Floor protection against scratches
- Non-slip and waterproof surface
- Stable setting of the chair in the selected position
- Reduces chair wheel sounds

ENDORFY Floor Pad FP90S – technical specifications:

- Product code: EY8G002
- EAN: 5903018666525
- Product type: floor pad
- Color: black
- Material: PVC
- Shape: square
- Dimensions: 900×900 mm

- Thickness: 2.2 mm
- Warranty: 24 months

ENDORFY Floor Pad FP90S – logistics data:

- Retail box dimensions: 95×95×915 mm
- Weight (net): 2.8 kg
- Weight (gross): 3.0 kg
- Master carton dimensions: 320×115×930 mm
- Master carton weight (gross): 10.3 kg
- Product quantity in master carton: 3 pcs

Set includes:

- Floor Pad FP90S
- Safety instruction
