

PHONECAGE

MAGNETIC MOBILE FILMMAKING CAGE

Turn your smartphone into a professional filmmaking rig with the RØDE Phone Cage. This magnetic mobile filmmaking cage features an ultra-secure mounting system for attaching a MagSafe® iPhone® or other smartphone with a magnetic case. Five cold shoe mounts allow for easy mounting of a wide range of accessories, including microphones and lights, with in-built cable management ensuring your rig stays neat and tidy. Conveniently placed 1/4-inch and 3/8-inch threads facilitate connecting even more accessories, including handles and tripods, allowing you to customise it to your needs. The Phone Cage is made from lightweight aluminium and is incredibly rugged, perfect for outdoor use and run-and-gun filmmaking.
