

434-S8-EUR

**ERGO™ Splitproof Chisel Set - 8
Pcs/Wooden Box**

PRODUCT DETAILS

- Set includes 6, 10, 12, 16, 18, 25, 32 and 38 mm chisels
- Chisel developed according to the scientific ERGO™ process
- Split-proof, two-component handle allows the intensive use of a metallic hammer
- Safety guard and rounded shoulders for added protection
- Precision ground blade for maximum sharpness
- Superior polished blade finish in the 434 ERGO™ model
- Varnished blade for increased rust resistance
- Hardened and tempered high quality steel for long-lasting performance
- 8 pcs set with tip protector in premium wooden box
- Standards: ISO 2729
- Maximum comfort with minimum effort thanks to an ergonomic design
- Comfortable two-component handle fits comfortably into the hand, and provides a nonslip grip
- Splitproof polyamide handle which easily absorbs repeated steel hammer blows
- This tool meets the highest standards of performance and cutting power while minimizing the risk of injury
- It is tailored for demanding carpentry and construction jobs
- Specially designed safety guard with rounded shoulders further protects the hands from injury
- Blade guard protects working edges of blade when not in use
