

BE-9786I

**Imperial Stainless Steel L-Key Set
with Long Ball End for Hex Screws -
13 Pcs**

PRODUCT DETAILS

- Set of 13 L-keys for hexagon head screws with ball end, long in inches
- 0.05", 1/16", 5/64", 3/32", 7/64", 1/8", 9/64", 5/32", 3/16", 7/32", 1/4", 5/16", 3/8"
- Nickel plated finish
- Protection against corrosion
- High quality steel, entirely hardened
- Stainless-steel bits prevent the formation of rust on stainless-steel surfaces, ideal for use on stainless-steel screws
- Size stamped into the blade and on the holder for easy identification
- Supplied in a plastic holder with hanging hole
- Hexagonal ball point on the long arm, easy to insert into screw head from a range of angles for more efficient work and time saver
- Long arm provides higher torque transmission and accessibility
