

AXIS TQ1003-E Wall Mount

For outdoor fixed box cameras and housings

Highly robust and rotatable wall mount, made of aluminum, and compatible with all Axis outdoor fixed box cameras and housings. Corrosion tested according to NEMA 4X, UL listed and IK10 rated. When used together with AXIS T94R01P Conduit Back Box, the Ethernet cable can be routed through cable protection pipes/conduits along the wall (from the left or right).

- > **Highly robust wall mount**
- > **Rotatable**
- > **Flexible cable routing**
- > **IK10 Rated**
- > **Aluminium**
