

- Compact case with less than 9L volume
- Supports up to m-ATX motherboards
- 80mm fan pre-installed
- Classic Design
- 80PLUS Bronze 300W Power Supply Included

The BE-10B-300 joins the Uni Series of CHIEFTEC as a classic small form factor chassis that still offers all the flexibility needed for a modern office desktop PC.

With a total volume of less than 9 liters, this case still supports Slim ODD, m-ATX motherboards and comes pre-installed with a 300W 80PLUS Bronze PSU, as well as an 80mm fan. A total of four USB ports in the front completes the functionality of the BE-10B-300.
