Bye bye background noise

Whether you're out for a run, on the train, or chilling at home, get rid of any pesky background noise thanks to these earphones' dual ENC environmental noise-cancelling microphones. Let your friends, family & colleagues hear more of you and less of what's going on around you.

Touch on the go

Play, pause, skip and pick up calls on the go at the touch of a button with the Yavi's convenient touch controls. Simply tap on the side of your earbud so you don't even need to take your phone out of your pocket or bag.

Non-stop vibes

There's nothing worse than your earphones running out of battery right in the middle of your favourite song. With up to 6 hours of playtime on a single charge, these earphones ensure that you can enjoy non-stop music, movies or calls whilst you travel. What's more, when you're running low, simply pop inside the compact charging case for a total of up to 23 hours of playtime!

| <b>Extended retailer text</b> | <p>Sustainable sounds</p> <p>What's better than enjoying your favourite music on the go? Enjoying it with the peace of mind of knowing that the Yavi Wireless Earphones are made with 85% recycled plastics. We think it makes the music sound even better too!</p> |
|-------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

Bye bye background noise

Whether you're out for a run, on the train, or chilling at home, get rid of any pesky background noise thanks to these earphones' dual ENC environmental noise-cancelling microphones. Let your friends, family & colleagues hear more of you and less of what's going on around you.

Touch on the go

Play, pause, skip and pick up calls on the go at the touch of a button with the Yavi's convenient touch controls. Simply tap on the side of your earbud so you don't even need to take your phone out of your pocket or bag.

Non-stop vibes

There's nothing worse than your earphones running out of battery right in the middle of your favourite song. With up to 6 hours of playtime on a single charge, these earphones ensure that you can enjoy non-stop music, movies or calls whilst you travel. What's more, when you're running low, simply pop inside the compact charging case for a total of up to 23 hours of playtime!

|                        |                                                                                                                                                                                                                                                                         |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Extended retailer text | One charger to rule them all<br><br>The days of one charger per device are long gone – able to power all kinds of devices, the Maxo enables you to juice up your laptop, phone and tablet from a single charger, all at the same time. Convenient living, here we come! |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

Family style

No more fighting over who gets to plug their phone in – with 3 USB-C ports and one USB-A port, everyone can charge their device when they need, making this the perfect charger for families, shared living spaces or communal workspaces.

Small meets sustainable

With a compact form, the Maxo is easy to place on your desk, table or cabinet without taking up too much space. What’s more, it’s even made with 50% recycled plastics, allowing you to work sustainably too.

| Extended retailer text | <p>Click into comfort</p> <p>Get more pleasure out of your workday with the Bayo+. With an optimal 57 degree angle, this mouse has been ergonomically designed to put your arm and wrist in the most comfortable, natural position for happier working.</p> |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

The magic mouse

Work across multiple devices? This is the mouse for you. With multiconnect capability, connect it to up to three devices at once via the 2.4G USB micro receiver and 2x Bluetooth and enjoy complete wireless freedom.

Recycled & remarkable

This mouse has been specifically designed to be good for you and good for the planet too. With a composition of 70% recycled plastics, it allows you to go about your day in a more sustainable way.

Two thumbs up

Your workday should be made as simple as possible, which is why the Bayo+ comes with two easily accessible thumb side buttons which enable you to easily navigate forward and back. That’s two thumbs up from us!

Dispose of disposables

No more disposable batteries needed here. With a fully rechargeable battery, enjoy up to 3 months of non-stop battery life and the possibility to keep using your mouse whilst charging via the included USB charge cable.

Precision in your palm

Move with precision and accuracy thanks to this mouse’s speed select button. With the ability to switch between 800-2400 DPI, adjust the cursor speed to best fit whichever task you’re tackling.

Two thumbs up

Your workday should be made as simple as possible, which is why the Bayo II comes with two easily accessible thumb side buttons which enable you to easily navigate forward and back. That’s two thumbs up from us!

Precision in your palm

Move with precision and accuracy thanks to this mouse’s speed select button. With the ability to switch between 800-2400 DPI, adjust the cursor speed to best fit whichever task you’re tackling.

### Marketing

|                        |                                                                                                                                                                                                                                                                                                                     |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Extended retailer text | <p>Light weight, heavy duty</p> <p>Clunky mice are out, featherlight ones are in. Weighing only 82g, the Redex II ensures that you have no weight dragging you down whilst you play, keeping you feeling comfortable and making sure you're always ready for another match.</p> <p>Victory meets sustainability</p> |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

A win for you, a win for the planet. With a sustainable design made with 55% recycled plastics, this mouse lets you make a more conscious choice when it comes to your gaming gear.

All about accuracy

Make your moves with the Redex II's adjustable and highly accurate optical sensor. Going all the way up to 10.000 DPI, this mouse prepares you for intense matches, fast reactions, and non-stop wins.

Long-term partner

Don't worry about this mouse breaking down on you – with durable Kailh switches that last up to 80 million clicks, this mouse is here to play AND stay.

Light up your life

Feel like a star and shine like one to thanks to the Redex II's full 3-zone RGB. With lighting on the sides, scroll wheel and logo, enjoy up to 16.8 million different colours (we didn't even know there were that many colours!) for some ultra-groovy gaming.
