

TYPE-C ALUMINUM IMAC STAND

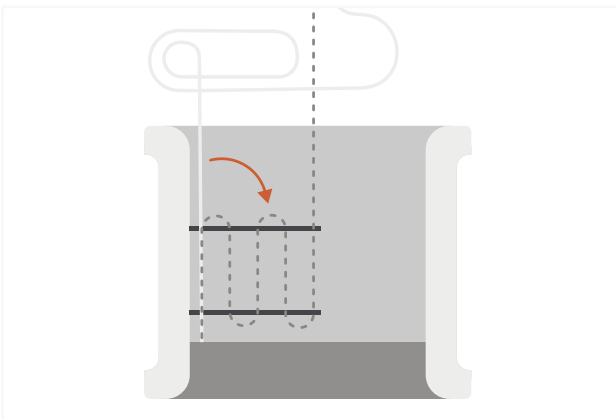

- 1** For iMac Pro & 2017 iMacs, connect the stand's cable to any open USB-C port on the backside of the iMac.

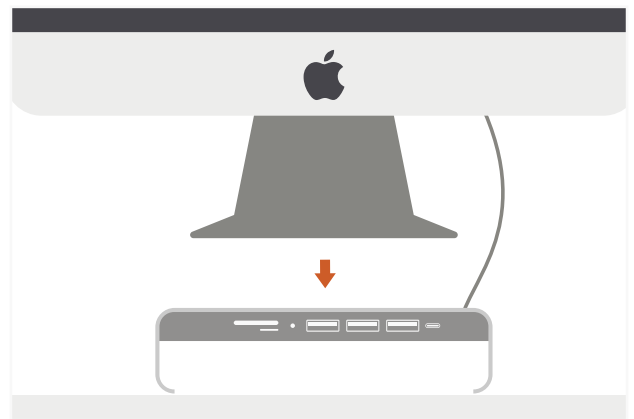

- 2** For 2016 & older iMacs, use the included Type-A to Type-C adapter to connect the stand's cable to any open USB-A port on the backside of the iMac.

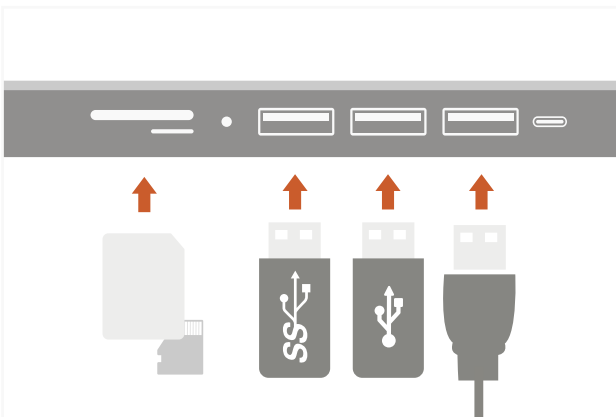

- 3** Organize the cable on the bottom side of the Stand.

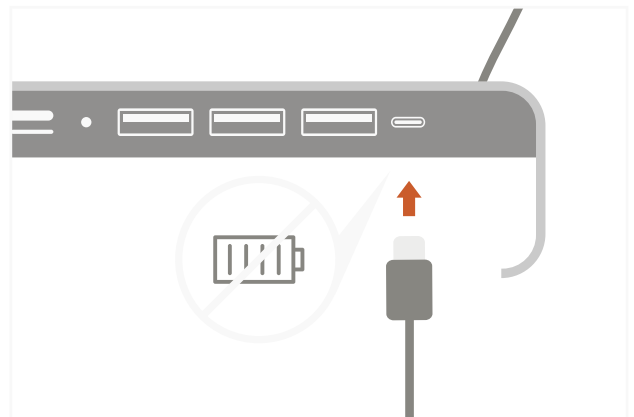

- 4** Place the stand on the desk or other flat surface and put iMac on it. Make sure that the ports are on the front side of the stand.

- 5** Connect your devices to USB 3.0 ports (up to 5 Gbps) and Micro/SD card reader slots (UHS-I, up to 104 Mbps).

- 6** USB-C port can be used for data transfer only. Charging through USB-C port is not supported.

COMPATIBILITY

Supports all Apple iMac models with included Type-A to Type-C adapter
