 - cable tie bridges behind each port
- 19", CAT6, 24 port

Microconnect PP-013 patch panel 1U:

The MicroConnect CAT6 24-port 19" Patch Panel (PP-013) is a high-quality networking solution designed to streamline your cable management. This patch panel provides a central termination point for all your CAT6 network cables, making it easy to organize and maintain your network infrastructure. Its 19-inch rack-mountable design allows for seamless integration into standard server racks or network cabinets, saving valuable space and improving airflow. With 24 ports, this patch panel offers ample connectivity for small to medium-sized networks. MicroConnect delivers pioneering innovation in connectivity solutions, ensuring reliable data transfer and a clean, professional network setup. Benefit from over 20 years of industry experience, securing premium quality at fair prices.
