Brand : ATEN

Product code: CL6700MW-ATA-EG

Product name : CL6700MW-ATA-EG

DVI Full HD LCD Console

ATEN CL6700MW-ATA-EG rack console 43.9 cm (17.3") Black 1U:

The CL6700MW DVI Full HD LCD Console is a single rail KVM console featuring a 17.3" LED-backlit high-definition widescreen with an integrated keyboard and touchpad in a 1U rack-mountable sliding housing. The CL6700MW's console provides front end access to compatible KVM switches utilizing space with a module that closes flat and slides into the rack. The single rail design allows the LCD monitor, keyboard and touchpad to operate independently of each other. Multiple video ports allow the console to connect one of three types of video sources: VGA, DVI, or HDMI - for the console and CPU connection. For added convenience, the full HD console provides two HDMI ports that allow for connecting a high-definition monitor to the console port, and/or an HDMI compatible switch to the KVM port.
