

Hama Glow II Headset Wired In-ear Calls/Music White

Brand : Hama

Product code: 00221787

Product name : Glow II

"Glow II" Headphones, Earbuds, Microphone, Lightning, white

Hama Glow II Headset Wired In-ear Calls/Music White:

Leave your iPhone in your pocket! With this headset, you can not only listen to music and make calls, but also control all the important functions of your mobile phone.

Multi-Control

Operate the main functions of your smartphone without picking it up

Direct access to Siri

Supports existing Siri voice assistant

Integrated microphone

Thanks to the integrated microphone you can easily switch between music playback and call answer. So you will no longer miss a call when listening to music.

Volume control

Volume control for individual, continuous volume adjustment

Kink protector

The kink protector between the earphones and the cable prevents cable breakage thus increasing the service life
