UNO Zero Card Game for Kid, Adult & Family Nights, Parties & Travel, Includes Deck & Scorecard

Games UNO Zero Card Game for Kid, Adult & Family Nights, Parties & Travel, Includes Deck & Scorecard:

Players who love the UNO card game will love UNO Zero and its exciting twist! The goal is to achieve the lowest score possible, aiming for the ultimate of zero! Instead of holding cards in their hand, players start the game by creating a 2x3 grid of facedown cards; then, they swap high-value cards for low-value ones to outwit their opponents and hit low scores. How low can they go? Special graphic symbols added to each card help identify the colour(s) on that card, allowing players with any form of colour blindness to play. And Action Cards can switch up the game, like Reverse and Skip. Designed for 2 to 8 players ages 7 years old and up, UNO Zero card game combines fun and strategy for family and friends alike! Colours and decorations may vary.
