

Brother QL-600RXX1 label printer Direct thermal 300 x 600 DPI 71 mm/sec Wired DK

Brand : Brother

Product code: QL-600R

Product name : QL-600RXX1

Ideal for small and home businesses who need to print occasional address and shipping labels, file folder identification labels, and temporary signage. An integrated cutter gives you the freedom to print labels at the length you require.

Brother QL-600RXX1 label printer Direct thermal 300 x 600 DPI 71 mm/sec Wired DK:

The smart, compact design of the QL-600R address label printer allows it to sit neatly on your desk, connected to your PC or Mac's USB interface. Using P-touch Editor label design software (available as a free download) you can add text, images, barcodes, frames and other items onto your labels before printing. Use the integrated cutter together with one of the continuous DK label rolls to create labels up to one metre in length - ideal for signs and banners. Or add to this a large range of various pre-sized die-cut label rolls, and you have the ideal postage/shipping label printer that can do so much more!
