

## InLine USB power supply, GaN charger, 2x USB-C, 1x USB-A, PD 3.0, safety socket

**Brand :** InLine

**Product code:** 31518I

**Product name :** USB power supply, GaN charger, 2x USB-C, 1x USB-A, PD 3.0, safety socket

InLine USB power supply, GaN charger, 2x USB-C, 1x USB-A, PD 3.0, safety socket

[InLine USB power supply, GaN charger, 2x USB-C, 1x USB-A, PD 3.0, safety socket:](#)

Experience the powerful and compact 65W GaN charger with 2x USB-C port, 1x USB-A port, 1x safety socket and 1.5m connection cable - the perfect solution for fast and efficient charging of multiple devices at the same time! Thanks to GaN (Gallium Nitride) technology, this power supply is highly efficient and allows for better performance while maintaining a smaller size. Electrons are conducted up to 1.000x more efficiently than traditional silicon semiconductors, resulting in less heat build-up and energy loss. The 65W GaN charger also supports Power Delivery 3.0 on the USB-C ports and Quickcharge 4+ on the USB-A port, and offers multiple output options.

| Performance                                        |                                                        | Power                       |             |
|----------------------------------------------------|--------------------------------------------------------|-----------------------------|-------------|
| Charger compatibility *                            | Universal                                              | Output current (5V)         | 4.5 A       |
| Power source type *                                | AC                                                     | Output current (9V)         | 3 A         |
| USB 2.0 ports quantity                             | 1                                                      | Output current (12V)        | 3 A         |
| USB Type-C ports quantity                          | 2                                                      | Output current (15V)        | 3 A         |
| Wireless charging                                  | ✗                                                      | Output current (20V)        | 3.25 A      |
| Fast charging                                      | ✓                                                      | Port 1 output current       | 5 A         |
| Fast charging technology                           | Power Delivery 3.0, Quick Charge                       | Port 2 output current       | 3 A         |
|                                                    | 2.0, Quick Charge 3.0, Quick Charge 4, Quick Charge 4+ | Port 3 output current       | 4.5 A       |
| Sockets quantity                                   | 1                                                      | Power consumption (no load) | 0.18 W      |
| Socket type                                        | Type F                                                 | Power plug type             | Type F      |
| Charger type *                                     | Indoor                                                 | Weight & dimensions         |             |
| Number of simultaneously connected devices (max) * | 3                                                      | Width                       | 48 mm       |
| USB Power Delivery (USB PD)                        | ✓                                                      | Depth                       | 108 mm      |
| USB Power Delivery revision                        | 3.0                                                    | Height                      | 40 mm       |
| Power protection features                          | Over voltage, Overheating, Short circuit               | Weight                      | 421 g       |
| Design                                             |                                                        | Packaging data              |             |
| Product colour *                                   | White                                                  | Package width               | 110 mm      |
| Cable length                                       | 1.5 m                                                  | Package depth               | 210 mm      |
| LED indicators                                     | ✓                                                      | Package height              | 60 mm       |
| Gallium nitride (GaN) transistors                  | ✓                                                      | Package volume              | 1400 cm³    |
| Power                                              |                                                        | Package weight              | 525 g       |
| Input voltage                                      | 230 V                                                  | Package type                | Hanging box |
| Input frequency                                    | 50/60 Hz                                               | Packaging content           |             |
| Input current                                      | 16 A                                                   | Retractable cable           | ✗           |
| Maximum power                                      | 3680 W                                                 | Certificates                |             |
|                                                    |                                                        | Compliance certificates     | cTUVus      |

| Power                  |       | Sustainability            |                  |
|------------------------|-------|---------------------------|------------------|
| Maximum output voltage | 20 V  | Sustainability compliance | ✓                |
| Minimum output voltage | 3.3 V | Logistics data            |                  |
| Port 1 output power    | 65 W  | Country of origin         | China            |
| Port 2 output power    | 30 W  | Other features            |                  |
| Port 3 output power    | 30 W  | Dimensions (WxDxH)        | 48 x 108 x 40 mm |
