  - MFi Certified for seamless compatibility with Apple devices with Lightning connector
  - Pack contents: cable, instructions
- Power Cable 120cm - Lightning

Cellularline Power Cable 120cm - Lightning Lightning cable for recharging and transferring data:

POWER CABLE is equipped with a USB to Lightning connector for charging and transferring data to devices equipped with a Lightning port, available in several lengths to meet different charging needs. POWER CABLE is also designed to ensure simple and safe charging: the rounded connector shape and textured cable gland make it easy to insert the cable into the charging port. MFi certified for perfect compatibility with Apple devices with Lightning connector.

| Features                |                                                                                          | Weight & dimensions         |           |
|-------------------------|------------------------------------------------------------------------------------------|-----------------------------|-----------|
| Cable length *          | 1.2 m                                                                                    | Depth                       | 15.3 mm   |
| Connector 1 *           | Lightning                                                                                | Packaging content           |           |
| Connector 2 *           | USB A                                                                                    | Batteries included          | ✗         |
| Connector 1 form factor | Straight                                                                                 | Packaging data              |           |
| Connector 2 form factor | Straight                                                                                 | Package width               | 65 mm     |
| Product colour *        | White                                                                                    | Package depth               | 20 mm     |
| Magnetically shielded   | ✓                                                                                        | Package height              | 197 mm    |
| USB version             | USB 2.0                                                                                  | Package weight              | 56 g      |
