Stable Care Accessories

[schleich Stable Care Accessories:](#)

Treat your horse to fresh oats while the pigs enjoy a meal of potatoes and lettuce. With the Stable Care Accessories kit, all the farm animals will be well fed. Your little ones can practice farm animal feeding while making up stories about life on the farm with schleich® Farm World.

Dinnertime! The farm animals are already waiting impatiently for their food. It's a good thing that everything is ready in the barn. The farmer can quickly toss a bale of hay and give it to the cows. The little calf gets milk poured into its bucket. But who are the lettuce and potatoes in the basket for? Even when all the animals are fed and watered, the work is still far from done! Who will help sweep the barn and carry the milk can back to the farm?
