Galloway Cow - 13960

schleich Galloway Cow - 13960:

The white Galloway cow with her black ears and hooves and perky muzzle looks so cute! Her thick coat keeps her warm, so she can stay outside even in the coldest winters. But I'm sure she wouldn't mind warming up in the playroom for a while!

I wonder if the white Galloway cow knows that she is quite special, with her black ears and hooves? Her companions usually have a darker coat. But their fluffy fleece with little curls ensures they stay warm even in the coldest winter. That's why the Galloways prefer to stand outside in the pasture all year round. In the snow, the white Galloway cow is really well camouflaged. Only her black nose and ears shine boldly out amidst the white!
