VCCKC800RCL

800 W Bagless Cylinder

Vacuum Cleaner 7 M Cable

EAN 6221127474831

VACUUM
CLEANER

- 800 W motor with 145 W suction for strong multi-surface cleaning
- 1.8 L bagless dust container—easy to empty and clean
- Dual-stage HEPA filtration (H10 + H13) for cleaner, healthier air
- 10 m cleaning radius with 7 m cord and 1.5 m hose
- Full accessory kit: crevice tool, round brush, sofa brush

The Tornado VCCKC800RCL is a compact, bagless cylinder vacuum cleaner engineered for powerful and efficient daily cleaning. With an 800 W motor and 145 W suction, it effectively removes dust, hair, and debris across all floor types. The included Eco brush provides solid multi-surface performance, while the manual knob control allows you to easily adjust suction to suit the task. Its large 1.8-liter dust container ensures fewer interruptions, and the advanced dual-stage filtration system (H10 + H13 HEPA) helps capture fine dust and allergens—an ideal choice for homes concerned about air quality. A 7-meter power cable combined with a 1.5-meter hose gives you a total 10-meter cleaning radius, making it perfect for larger rooms and hard-to-reach spaces. Weighing 5 kg, the VCCKC800RCL is easy to carry and store, and includes a full accessory set: crevice tool, round brush, and sofa brush—for comprehensive cleaning with no bags, no fuss.
