VCBKC800BCL

800 W Bagged Cylinder Vacuum Cleaner 8 M Cable

6221127474824

VACUUM
CLEANER

- 800 W motor with 210 W suction for deep and efficient cleaning
- Large 4 L cloth dust bag—ideal for longer sessions with fewer changes
- H10 HEPA filtration captures fine dust and allergens
- 11 m cleaning radius with 8 m cord and 1.5 m hose
- Full accessory kit: crevice tool, round brush, sofa brush

The Tornado VCBKC800BCL is a heavy-duty bagged cylinder vacuum cleaner designed for extended reach and powerful performance. Its 800 W motor and 210 W suction provide strong, consistent cleaning across hard floors, carpets, and upholstery. The large 4-liter cloth dust bag minimizes the need for frequent changes, while the HEPA H10 filter helps capture fine dust and allergens—ideal for allergy-prone households. Equipped with button-based suction control, the unit allows simple adjustments during use. Its 8-meter power cable and 1.5-meter hose offer an impressive 11-meter total cleaning radius, letting you clean large rooms without constantly changing outlets. Weighing 5.68 kg, the vacuum is stable yet easy to maneuver. Finished in Black & Red, the VCBKC800BCL includes a complete set of tools—crevice tool, round brush, and sofa brush—to handle a wide variety of cleaning tasks. Reliable, efficient, and built to perform, it's a smart solution for households that demand more from their cleaning routine.

More information

GENERAL	
Model name	VCBKC800BCL 800 W Bagged Cylinder Vacuum Cleaner 8 M Cable
Model number	VCBKC800BCL
EAN/UPC	6221127474824
Product category	Vacuum Cleaner
Product type	Canister
Launch date	2024
Warranty	2 Years
PERFORMANCE	
Input power max (W)	800
Suction power max (AW / W)	210
Noise level dB(A)	66
Dust capacity (L)	4
Bag type	Cloth Bag
Filtration level	H10 HEPA
Energy efficiency class	A
Action radius (m)	11
Cord length (m)	8
Hose length cylinder (m)	1.5
Battery voltage cordless (V)	-
Runtime cordless (min)	-
Charge time (h)	-
Airflow (L/s)	1.8

FEATURES	
Brush type	Eco brush
Motorized floor head	-
LED lights on nozzle	-
Variable power control	Button control
Self-standing (stick)	-
Detachable handheld	-
Smart connectivity	-
App control	-
Voice control compatibility	-
Washable filters	Yes
Dust sensor auto mode	-
LCD display	-
PHYSICAL	
Product width (mm)	494
Product depth (mm)	343
